## Voice Dynamic Course - The complete solution to vocal fitness

Our Voice Dynamic Course consists of 10 Voice coaching sessions of two hour each and are held thrice in a week. Conducted in the premises of our state of the art Digital Recording studios, the Workshop caters to a maximum of 10 participants per batch.

In this workshop, the students learn the basic structure and functioning of the vocal apparatus, and how best to take care of the voice. The workshop aims to impart high levels of VOCAL FITNESS. At the end of the workshop, the student will be able to improve his/her voice as well as improve his/her endurance. He/She will be able to recognize the early warning signs of vocal damage, and will even be able to troubleshoot minor problems.

The Workshop can help the student find a new confidence in their presentations. It will add the power in their voice that can make everyone hang on to their every word..
